ROMIRO G. BAUTISTA, PhD
OIC University President
Quirino State University Diffun, Quirino

Ref. No.: ORD/NPD 27-082026-53

Dear Sir:

Isang maka-agham na araw!

The Department of Science and Technology Regional Office No. 02 respectfully invites your esteemed institution to participate in the CODE & CONQUER Cagayan Valley: E-Sports Game Dev Challenge, one of the major highlights of the 2026 Cagayan Valley Regional Science, Technology, and Innovation Week (RSTW), to be held on September 9–11, 2026 at Cagayan Provincial Coliseum, Tuguegarao City, Cagayan.

Anchored on the theme “Siyensya, Teknolohiya at Inobasyon: Kabalikat sa Matatag, Maginhawa at Panatag na Kinabukasan,” and the regional banner “Science, Technology, and Digital Innovation: Driving Food Security, Sustainable Energy, and National Resilience,” the 2026 RSTW aims to promote the role of science, technology, and innovation in developing future-ready communities and empowering the next generation of innovators.

The CODE & CONQUER Cagayan Valley: E-Sports Game Dev Challenge seeks to provide a platform for aspiring high school and college developers to showcase their creativity, technical skills, and innovative capabilities in game development. Through this competition, participants will be encouraged to develop digital solutions that incorporate meaningful advocacies such as Disaster Risk Reduction, Smart Cities, and Philippine culture, highlighting how technology can be utilized as a tool for social impact and community development.

All submitted entries shall undergo a pre-screening process. Qualified finalists will advance to the final stage of the competition, which will include live game demonstrations, project pitching, and awarding ceremonies to be conducted during the three-day RSTW celebration.

In this regard, we highly encourage your institution to nominate a team composed of a maximum of five (5) student participants and one (1) faculty coach to represent your institution in this regional competition.

If interested, please access the registration portal, official mechanics, and required documentation through the links below:

Registration Link:	
https://bit.ly/RSTW-CVGameDev	
Official Mechanics and Downloadable Forms:	
https://bit.ly/GameDevMechForms	

Participants should review the official mechanics for detailed information regarding eligibility rules, accepted game engines, themes, and submission requirements.

Should there be any questions regarding the technical guidelines or registration process, please feel free to reach out to our personnel, Mr. Neil P. dela Cruz, through his contact number 0995-930-5659 or email neil.delacruz@ro2.dost.gov.ph. We look forward to seeing the innovative gaming experiences your students will bring to the challenge.

Thank you, and we anticipate your positive response.

Very truly yours,

VIRGINIA G. BILGERA
Regional Director
