Subject: **Request for Communication Allowance for SAO Admin**

Sir:

I would like to request the grant of **Communication Allowance** in my capacity as **Supervising Administrative Officer for Administration**, considering the nature and scope of my official functions and responsibilities.

As part of my duties, I regularly coordinate and communicate with various offices, units, government agencies, suppliers, and other stakeholders in relation to administrative operations, procurement activities, personnel matters, planning, and other official concerns of the University. These communications often require the use of mobile calls, text messages, and other communication platforms beyond regular office hours and while attending to official matters outside the office.

In view of the foregoing, the provision of a communication allowance would support the efficient and timely performance of my official functions and facilitate continuous coordination with concerned offices and stakeholders.

I respectfully request the approval of a **monthly communication allowance in the amount of Three Hundred Fifty Pesos (₱350.00)**, subject to existing University policies, applicable government rules and regulations, and the availability of funds.

Thank you very much for your consideration and support.

Respectfully yours,

KRISTINE JOY A. CASTILLO
