Subject: Request for Signature - Invitation Letter to Concerned Stakeholders

Dear Dr. Bautista:

Greetings!

Respectfully submitted for your review and signature is the attached letter addressed to the concerned stakeholders regarding the conduct of the Pre-Survey Consultation and the Technical Boundary Relocation and Ground Validity Survey of the QSU Diffun Campus Lot.

The Pre-Survey Consultation is scheduled on **October 20, 2026, at 9:00 AM**, at the **Barangay Hall of Barangay Andres Bonifacio, Diffun, Quirino**, while the actual survey activity is scheduled on **October 21–23, 2026**, in coordination with the **Provincial Environment and Natural Resources Office (PENRO), through its Mapping Services Section**.

The letter is intended to formally invite the identified concerned constituents, adjacent property owners, and other stakeholders to participate in the consultation and to facilitate their coordination and cooperation in the proper identification and validation of the University's property boundaries.

In view thereof, may we respectfully request your signature on the attached letter for its subsequent issuance and distribution to the concerned stakeholders.

For your kind consideration and approval.

Respectfully yours,

for **YSMAEL R. DRAMAN, PhD.**

Dear Sir/Madam:

Greetings!

Quirino State University (QSU) is currently undertaking measures to address concerns regarding the security and management of its property arising from unclear boundaries between University-owned and adjacent private lots. The absence of clearly delineated property boundaries poses challenges in establishing an appropriate security and property management system.

In this regard, the University, in coordination with the Provincial Environment and Natural Resources Office (PENRO), through its Mapping Services Section, will conduct a Technical Boundary Relocation and Ground Validity Survey of the QSU Diffun Campus Lot on October 21-23, 2026. The activity aims to accurately establish and validate the boundaries of the University's property.

Prior to the conduct of the actual survey, the University will hold a Pre-Survey Consultation with concerned constituents and stakeholders on October 20, 2026, 9:00 AM at the Brgy. Hall of Brgy. Andres Bonifacio, Diffun, Quirino. The consultation is intended to provide an opportunity to discuss the objectives and procedures of the survey, identify and clarify existing boundary concerns, and facilitate coordination with affected or adjacent property owners and other concerned parties.

In this connection, we respectfully invite you to attend and participate and the said consultation. Your presence and cooperation will greatly contribute to the smooth and orderly conduct of the succeeding survey activities and to the proper identification and validation of the University's property boundaries.

We look forward to your participation and cooperation in this undertaking.

Thank you very much for your kind assistance and support.

Very truly yours,

ROMIRO G. BAUTISTA, PhD
OIC-University President
